VALLEYBROOK, Silver Spring, MD

Beautiful brick rancher in the Valleybrook community offers a rare combination of thoughtful updates, spacious living, and a nearly half-acre lot with a resort-style backyard that backs to a serene conservation area. The home's well-maintained exterior and inviting curb appeal set the stage for what lies inside. Step into the living room, where hardwood flooring flows seamlessly through much of the main level. Three large windows frame views of the lush front yard, while a cozy fireplace anchors the space. The living room opens to a dining room and renovated kitchen, complete with granite counters, to-ceiling cabinetry with display cabinets, stainless steel appliances including a gas range, and a window above the sink that overlooks the backyard and pool- a truly idyllic setting. Between the living room and kitchen, the dining room is accented with chair railing and an updated light fixture, flowing naturally into the sunroom, perfect for relaxation or quiet reading.

The main level includes three bedrooms, highlighted by a primary suite with a renovated bath featuring a marble tile wall surround and marble shower. Two additional bedrooms share a full hall bath with a stylish new vanity, and many closets throughout the home include built-in organizers for convenience and efficiency. The expansive lower-level family room offers direct access to the backyard and is accompanied by a fourth bedroom and half bath with an updated vanity. From here, the

garage, laundry room, and driveway are easily accessible, providing functional everyday living.

Outdoors, the backyard is a private oasis with a sparkling pool, paver walkways and patios, and ample green space shaded by mature trees, including a blooming dogwood, creating a sense of tranquility and retreat.

The location combines suburban comfort with convenient access to Silver Spring’s amenities. Residents enjoy nearby shopping centers, while outdoor enthusiasts can explore Brookside Gardens and Wheaton Regional Park with walking trails, sports facilities, and open green spaces. Commuters benefit from easy access to major thoroughfares including New Hampshire Avenue (MD 650), Colesville Road (US 29), I-495, and I-95, connecting quickly to downtown Silver Spring, Washington, D.C., Baltimore, and beyond.
